I have attached a copy of	memo and would only po	oint out that
with respect to the amount of unclassifie	ed printing as compared to	the amount of
classified printing in the Agency, it doe	s not approach 50 percent	of our total
production. If one takes into considerat	ion not only the entirety	of OL's
printing operations but also includes OTS	and NPIC publications, a	11gure of
closer to 10 percent is perhaps closer to production.	the mark for unclassified	printing.
